

Education

FSC Jinnah Jame School and Collage	Mar 2020 Haripur, Khyber Pakhtunkhwa, Pakistan
Bachelors in Computer Engineering Comsats University Islamabad	Jul 2024 Islamabad, Pakistan
Diploma in Information and Technology National Institute of Skills	Apr 2023 Haripur, Khyber Pakhtunkhwa, Pakistan

Professional Summary

I graduated with a Bachelor's degree in Computer Engineering. Throughout my studies, I developed a strong foundation in data analysis, SQL, Power BI, and Python. My academic projects allowed me to apply these skills in real-world scenarios, where I analyzed complex data sets, created interactive dashboards, and automated processes to drive efficiency. I'm passionate about using data to solve problems and am eager to contribute my skills and knowledge to a dynamic team.

Skills

- Python Programming
 - OOP
 - My SQL
- Tableau
 - Power BI
 - Data Analyst

Work History

Final Year Project
I am a fresh graduate and I have done my final year project in **Machine Learning Based Brain Tumor Segmentation and its Deployment**. If you want to visit the website you can visit by clicking on this link (<https://brain-mri-segmentation-app-s.streamlit.app/>)

Other Projects

1. Pizza Sales Project Based On MySQL
2. Zomato Data Analysis Project Based on Python
3. Brain Tumor Classification and its Deployment
4. Olympics Data Analysis Based on Power-BI
5. Poplo healthcare project Based on Power-BI
